## Globalstar Advantages:

- **US-based number.** Easy and affordable.
- **National "800" dialing.** Call to the millions of US toll-free numbers
- **Best satellite sound quality.** No need to waste time repeating yourself.
- **Fastest Mobile Data Rates.** Do more in less time.
- **Many satellites.** Each call is handled by multiple satellites simultaneously for superior quality and reliability.
- **Many gateways.** Globalstar's gateways provide redundant overlapping coverage in most areas, offering the most reliable satellite service during emergencies.

**Legal Terms**

Plans are based on a 12-month contract. Credit approval required. Early de-activation of the contract will result in a cancellation fee. Bundled voice and data minutes are applicable for calls from the U.S. and the Caribbean to the U.S., Canada and Puerto Rico. Voice airtime billing is based on a one-minute minimum and 30-second increments. Calls placed from the U.S., Canada and the Caribbean use standard airtime, no roaming, and no long distance to the U.S., Canada and Puerto Rico. Calls to other Caribbean countries and other destinations will be charged long distance. For roaming rates, please consult the Roaming Calculator at [www.globalstar.com](http://www.globalstar.com). Included minutes do not apply while roaming. International roaming charges apply to all calls placed outside North America. International roaming charges and International long distance charges may vary depending on foreign taxes and tariffs from individual countries. Please see End User Terms and Conditions for all details concerning subscription to the Globalstar system. All price plans are subject to all U.S. local, provincial and federal taxes. Globalstar reserves the right to modify any price plan without notice.
